

Island in the South Pacific Ocean

Your boat crashed against the rocks of a deserted island. Just before the boat crashed you sent for help on your phone. It will take at least 4 days before you are rescued... but there is a chance that nobody finds you. You look around on the island and you find 50 branches that you can use to survive. How will you use your branches?

10 branches:
Build a small
shelter.

20 branches:
Build a large
shelter.

2 branches:
Build a small
fishing spear.

5 branches:
Build a large
hunting spear
for big animals.

50 branches:
Build a raft to
escape the
island.

5 branches:
Build a
small fire.

10 branches:
Build a
large fire

5 branches:
Spell HELP in
small letters.

10 branches:
Spell HELP in
large letters.
